# LIST OF RECOGNIZED TEST LABORATORIES

1 In facilitating the implementation of the International Code for Application of Fire Test Procedures, 2010 (2010 FTP Code), the Secretariat updates, as necessary, the list of laboratories recognized by Administrations concerned which are able to conduct fire tests in accordance with the provisions of the 2010 FTP Code, and circulates it as an SSE.1 circular, bearing in mind that, in compliance with paragraph 8 of the 2010 FTP Code, only tests conducted in accordance with the 2010 FTP Code are allowed from 1 July 2013.

2 The annex to this circular contains the revised list of recognized laboratories based on the information received by the Secretariat within the period from December 2016 to December 2017.

3 Member States are requested to advise the Secretariat of test laboratories recognized by them which will be included in future SSE.1 circulars, and to update this information as appropriate<sup>1</sup>. Member States are also requested to bring the annexed information to the attention of shipyards, equipment manufacturers, shipowners, ship operators and other parties concerned.

4 This circular supersedes the *List of recognized test laboratories* (SSE.1/Circ.3).
